Description: Andy Grove, founder and former CEO of Intel shares his strategy for success as he takes the reader deep inside the workings of a major company in Only the Paranoid Survive. Under Andy Groves leadership, Intel became the worlds largest chip maker and one of the most admired companies in the world. In Only the Paranoid Survive, Grove reveals his strategy...

Review: At first I was slightly disappointed by this book. I bought it without reading the description and was expecting more of a general history of Intel. But then I kept reading. Instead of the history that I was seeking I found a worthwhile book on strategic leadership. The principles that Groves propounds here remain relevant and sound nearly twenty...
